## Tax Talk, News & Insights

### Credit unions keep free checking alive

While it seems like free checking is a thing of the past, free checking is alive and well at credit unions across the country. *PR Newswire (02/24/2011)*

### America Saves Week is a time to set goals, start saving automatically

The recent economic crisis changed habits regarding credit card use and savings accounts. The challenge now is to keep people saving even as the economy improves. *PR Newswire (02/22/2011)*

### Upromise by Sallie Mae members earn \$600 million in college savings

Using a credit card isn't always a bad thing. Upromise members earn cash savings for shopping that can be used for tuition or savings. *Business Wire (02/22/2011)*

### Cash makes a comeback

Credit and debit cards may have their perks, but most people buy less when they pay cash. If you have credit card debt, or just want to save more, get back to basics and pay with cash. *McClatchy-Tribune News (02/21/2011)*

### Tax breaks for people with disabilities are often overlooked

Tax credits and deductions can help lower taxes for people with disabilities. If you, a friend or family member has a disability, learn what steps you can take to minimize your taxes...or to get money back even if you don't owe taxes. *Business Wire (02/17/2011)*

### Are you desperate for tax deductions?

Thinking of ways to reduce your tax bill? You may not be able to do much about last year's tax, but you can get a head start on reducing your tax bill for this year. *USA Today (02/11/2011)*
